Mesha Stele

Mesha Stele

"I am Mesha... Omri was the king of Israel, and he oppressed Moab for many days, for Kemoš was angry with his land. And his son succeeded him, ... Israel has gone to ruin, yes, it has gone to ruin for ever! ... And Kemoš said to me: "Go, take Nebo from Israel!" ... And from there, I took the vessels of YHWH, and I hauled them before the face of Kemoš.... And Horonaim, the House of David lived in it.

Hazael
King of Aram

Statue of Shalmaneser III

“Hadad-ezer passed away. Hazael, son of a nobody, took the throne. He mustered his numerous troops; [and] he moved against me to do war and battle. [I] fought with him. I decisively defeated him. I took away from him his walled camp. In order to save his life he ran away. I pursued [him] as far as Damascus, his royal city. [I] cut down his orchards.”
